## REGIONAL DEVELOPMENT AND DEMOGRAPHIC FLOWS OF SOUTHEASTERN EUROPEAN COUNTRIES

Niš, 23 June 2017

Over the past half century of its existence, the Faculty of Economics has excelled in the field of education, research and development and secured its position among the leading institutions of economic profession. Traditionally, throughout its fifty-year history, the Faculty of Economics has organized scientific conferences on current issues. Each year, the number of participants is growing increasingly as well as the number of countries the authors come from.

Considering that the issue of regional development and demographic flows is current, to date the Faculty of Economics has organized scientific conferences dedicated to this issue for 21 time.

This year, the scientific conference "Regional Development and Demographic Flows of Southeastern European Countries" will be organized for the XXII time.

**We are pleased to invite you to give your contribution to the Conference with your papers and active participation during the Conference.**
